

# NAFSA Resources for Internationalizing Teaching and Learning

**NAFSA's Teaching, Learning, and Scholarship Knowledge Community (TLS KC)** is committed to furthering the dialogue within international education on topics such as:

- Internationalizing the curriculum and campus
- Internationalizing teacher education
- Intercultural and global learning
- Best practices for campus internationalization
- Research in the field of international education

## TLS KC Networks

Join these online communities to ask questions, participate in discussions, learn about upcoming events, and access a variety of resources.

### **Internationalizing Teaching, Learning, and Curriculum Professional Network**

Resources for professionals and faculty interested in implementing internationalization initiatives that impact teaching, learning, and curriculum in higher education.

[www.nafsa.org/ITLCnetwork](http://www.nafsa.org/ITLCnetwork)

### **Intercultural Communication and Training Professional Network**

Resources and discussions for those interested in intercultural learning theory, cross-cultural counseling/advising theory, and intercultural training techniques.

[www.nafsa.org/ICTnetwork](http://www.nafsa.org/ICTnetwork)

### **Research and Scholarship Professional Network**

Resources and discussions around research in international education.

## Resources

### **Accessing Best Practices in Internationalization**

Find profiles of exemplary internationalization best practices at various institutions of higher education.

[www.nafsa.org/ABPI](http://www.nafsa.org/ABPI)

### **Curriculum Integration of Education Abroad**

Learn about key design elements of successful curriculum integration initiatives.

[www.nafsa.org/CurriculumIntegration](http://www.nafsa.org/CurriculumIntegration)

### **Engaging Faculty in Internationalization**

Consider ways to incentivize and encourage faculty participation in internationalization initiatives.

[www.nafsa.org/engagingfaculty](http://www.nafsa.org/engagingfaculty)

### **Intercultural Activity Toolkit**

Draw inspiration from and contribute to the collection of intercultural activities that can be used by international educators with the goal of internationalizing the campus.

[www.nafsa.org/iatoolkit](http://www.nafsa.org/iatoolkit)

### **Internationalizing Teacher Education**

Access best practices, unique approaches, and resources on internationalizing teacher education.

[www.nafsa.org/IZNteachered](http://www.nafsa.org/IZNteachered)

### **Measuring and Assessing Internationalization**

Learn how to use institutional performance and the outcomes of student learning to evaluate internationalization results.

[www.nafsa.org/MeasureAssessIZN](http://www.nafsa.org/MeasureAssessIZN)

### **Review of Global Studies Literature**

Gain insight into specialized knowledge, research, and synthesis of emerging perspectives in the field of international education and exchange.

[www.nafsa.org/GSLreview](http://www.nafsa.org/GSLreview)

### **Theory Connections: Intercultural Communications & Training**

Access some of the theoretical foundations of intercultural communication studies and practices.
