

Donate to NAFSA - See The World

At the 2010 NAFSA Conference in Kansas City, Laura Buhs won the Natural Wonders Tour for two to Ghana by donating to the Annual Fund. Laura's trip was so exciting that she wrote to NAFSA to say thank you.

Thank You for a Trip to Ghana

Thank you NAFSA and Palace Travel for the wonderful opportunity to visit Ghana this spring. The Natural Wonders Tour with Palace Travel introduced my husband and me to the beauty of several different areas of Ghana from the coast to the central tropical rain forests to the eastern plains.

We enjoyed a few days on our own including a day on the beach and a visit with Global Mamas, a non-profit and fair trade organization which assists women in Africa to become economically independent that I have worked with in the U.S. Thanks again, NAFSA!
