U of M Study Abroad Office Certification

Study Abroad Registration to be completed:

Fall _____ credits

Spring _____ credits

Summer _____ credits

Winter Break

May Session

NOTES:

- Credits for winter break programs are added to spring registration and credits for May session programs will be added to summer registration.
- If you are enrolled for fewer than 12 credits, you must consult with the Office of Student Finance.
- If you are enrolled for fewer than 13 credits, your University of Minnesota registration status may be affected.

I have been admitted to a **degree or certificate program** at the University of Minnesota.

I understand that it is my responsibility to read and understand the Office of Student Finance (OSF) **Satisfactory Academic Progress Policy**.

I understand that it is my responsibility to take care of any **negative service indicators** (previously referred to as holds) on my record prior to departure. Negative service indicators will prevent me from processing the registration indicated above. Failure to be registered **before the end of the cancel/add registration period** for each term I am studying abroad will lead to delay or cancellation of my financial aid.

I understand that it is my responsibility to grant my contact person **Power of Attorney**.

To the best of my knowledge, the information provided on this form represents a **realistic estimate of the costs and credits**.

I understand that I will receive a billing statement from **Student Accounts Receivable** for any remaining fees not covered by my financial aid and that payments will be due according to the published schedule.

I understand that if I drop/withdraw from courses or earn fewer than the credits for which I was enrolled, I may be billed for financial aid received. I will notify OSF and the Learning Abroad Center immediately if I reduce my credit load below the registration indicated above or withdraw from my program.

I will report all scholarships to OSF.

Financial Aid Advising Reminders

- Check for any potential academic progress or grade level issues.
- If appropriate, ask the student to complete an Information Release form.
- If appropriate, discuss the option of supplementary loans and application procedures.
- Remind the student of OSF and lending agency (especially U of M-based loans) paperwork, requirements and timetables.
