

Press Release

ELS Responds to Libyan Crisis

In response to the crisis in Libya, ELS has waived the tuition fees for its next two four-week long (30 hrs/wk) Intensive English programs for *all* Libyan students currently attending the 55 ELS Language Centers in the United States.

In addition, ELS will provide healthcare for the Libyan students enrolled in the program. The tuition waiver policy also may be extended beyond the original two sessions depending on circumstances.

We understand the difficult situation in which these students find themselves, and will continue to assist as possible. The well-being of all our students guides our actions on a daily basis.

ELS Educational Services is a leader in international student recruitment, testing and teaching of English. Entering its 50th year, ELS offers the largest network of campus-based English language instruction centers with more than 55 study locations in the USA and Canada, and 33 ELS Language Centers in 12 countries around the world.
