Dear Stephen:

NAFSA is grateful that the American International Education Foundation (AIEF), a leader in providing information on studying in the USA to international students, has kindly agreed to be the new sponsor of the Chinese Pre-departure Orientation Web site.

We are appreciative of AIEF's contribution to hosting the site, as well as its commitment to continuing to provide timely, pertinent information to Chinese students (and others) coming to the United States. Following the transfer of the Chinese Pre-departure Orientation resources to AIEF's new site at www.china-nafsa.aief-usa.org, a link to the site will be maintained on NAFSA's Web site.

Sincerely,

Robert L. Stableski
Deputy Executive Director
