Dear Prospective Silent Auction Donor,

This year, from November 4th through 7th, more than 400 members of NAFSA Region VIII are expected to participate in the 2014 NAFSA Regional Conference at the Williamsburg Lodge in Williamsburg, Virginia. Region VIII has 1500 members, who are at 221 colleges/universities and at 254 non-college institutions (embassies, government agencies, language centers, secondary schools, publications, associations, etc). Our members hail from Delaware, the District of Columbia, Maryland, Pennsylvania, Virginia and West Virginia, and they represent a wide variety of educational institutions from technical colleges to Big 10 universities. We would like to offer you a chance to advertise your business with this far-reaching clientele by donating to our silent Auction.

NAFSA, the leading professional association in the field of international education, is dedicated to helping international students come to the U.S. and achieve their academic goals while promoting travel and overseas study for American students to broaden their educational horizons. Our ultimate goals are to build mutual understanding and respect and to foster peace, security, and well-being around the world.

The Region VIII leadership team invites you to consider playing a part in this exciting event by donating goods or services to our Region VIII Silent Auction. All proceeds allow our organization to fund professional development and research which are fundamental to the advancement of international education in our region. We hope we can exceed last year’s success…but this is only possible with your donations!

If you wish to participate, or if you have any questions, please do not hesitate to contact me directly. Please note that NAFSA is a 501(c)(3) organization and its tax payer identification number is 13-1878953.

Thank you for your thoughtful consideration and support of international education.

Sincerely,

Sharon Pitney
